SELLING YOUR MEMBERSHIP

1. The membership resale program was discontinued as of September 2004. We no longer maintain a list of memberships for sale.
2. Memberships continue to be transferable at Wilderness Village, however Members are now responsible to find their own buyers. No memberships will be transferred during the peak season (June 15 through September 15). A maximum of **forty** transfers will be processed each year (subject to change at the discretion of the Board of Directors). **We may have already reached this number for the current year. Please check with the office.**
3. Members wishing to sell their memberships are advised to place an advertisement online in the Bargain Finder (BuySell.com) under the classification: "Real Estate/Time Shares/Club Memberships for Sale". Any persons enquiring about existing memberships for sale, are directed there.
4. Transfer fees are a fixed amount of 30 percent of the market value of the membership (based upon the cost of a new membership). For example, a membership valued at \$3,000 will have a transfer fee assessed of \$900. The value of every term of membership is listed on schedule of values that is adjusted every time the cost of membership is increased. Please ensure that any schedule of values that you refer to is current. A Member may sell their membership for whatever price they wish, however the transfer fee is not negotiable. Once a final price is negotiated between the buyer and the seller (including any outstanding account arrears), the seller then contacts the office with the details. The buyer then directly pays the seller the negotiated price, however the transfer will not be processed until such time as the transfer fee and the fully completed transfer form is received by Wilderness Village. We accept payment with Visa, MasterCard, personal check, Bank Draft or cash. NOTE: A 2 % processing fee is charged on all amounts over \$2000.00.
5. All transfers will be subject to WVCA approval.
6. All transfer fee payments and any arrears must be paid directly to WVCA in full before a transfer will be validated. All other monetary aspects of the transfer must be handled directly between the buyer and the seller. The buyer cannot use the Park until WVCA deems the transfer to be complete.
7. In the case of a transfer to a direct family member, the transfer fee will be only be assessed at a flat rate of \$150 and no transfer fee percentage will be assessed.
8. Wilderness Village staff will be pleased to answer any questions from prospective buyers. Park tours and transfer arrangements can be arranged by appointment.
